

BROMAN CELLARS

1999 Broman Napa Valley Cabernet Sauvignon

Tasting Notes

The 1999 Broman Napa Valley Cabernet was sourced from vineyards located high atop Howell Mountain, as well as from a few small vineyards on the Valley floor. The blend for this wine consists of 78 percent Cabernet Sauvignon, 15 percent Merlot, and 7 percent Cabernet Franc. The wine was aged in French oak for 24 months.

Winemaker's Notes:

1999 was a fabulous growing year, resulting in full, well balanced wines. The Broman Cabernet Sauvignon is certainly no exception. The aroma of this wine is full of ripe, dark berry with a hint of toasty oak and mocha. There are mouth filling ripe blackberries, cassis, black cherry and wild berry flavors accented by a hint of leather and cedar. The tannins are well integrated, and the long, lingering finish leaves you wanting more.

Alcohol: 14.1 percent

Total Cases Produced: 524
