## 1999 Broman Napa Valley Merlot

---

### **Tasting Notes**

*The Broman 1999 Napa Valley Merlot was produced from grapes picked from three different vineyards in the heart of the Napa Valley. This wine was aged in French oak for 24 months, and the blend is 85 percent Merlot; 11 percent Cabernet Sauvignon; and 4 percent Cabernet Franc.*

### **Winemaker's Notes:**

Our premier release of Merlot is a well-integrated blend that has wonderful complexity and layers of flavors. You will notice cherries and plums with slight hints of freshly cracked black pepper on the nose. The middle is plump and full with ripe fruit, slight earthy tones with traces of leather. This wine has a nice long, velvety finish.

**Alcohol: 14.3 percent    Total Cases Produced: 214**
