

# BROMAN CELLARS

---

## 2001 Broman Napa Valley Syrah

---

### **Tasting Notes**

*This 2001 Broman Napa Valley Syrah was produced from grapes selected from the Oak Knoll and Yountville appellations. This wine is 100% Syrah and was aged in French oak for approximately 18 months.*

### **Winemaker's Notes:**

The 2001 Syrah is a blockbuster wine. Jammy, leathery notes are followed by cocoa and spicy aromas. This wine is extremely full bodied with nicely integrated tannins. Rich blackberry flavors and meaty undertones lead the way to an extended finish.

**Alcohol: 14.7 percent      Total Cases Produced: 345**
