

# BROMAN CELLARS

---

## 2009 Broman Napa Valley Sauvignon Blanc

---

### Tasting Notes

*The 2009 Broman Sauvignon Blanc was crafted from 100 percent Sauvignon Blanc grapes sourced entirely from the esteemed Beckstoffer property, Melrose Vineyard in Rutherford*

*The Broman philosophy in making Sauv Blanc is to let the fruit shine through. As such, this wine was cold fermented in a small stainless steel tank with no malolactic fermentation or oak treatment.*

### Winemaker's Notes:

This wine is a pure expression of the sauvignon blanc grape. Aromas of grapefruit, lemongrass and lime zest with undertones of stone fruit make this wine so inviting. The vibrant citrus is rounded out with white peach and apricot on the palate with a clean, fresh finish. The bright acidity in the wine will hold up to many different cuisines, but this is also the perfect accompaniment to warm summer afternoons.

**Alcohol: 14.2 percent**

**Total Cases Produced: 397**
